

Good Touches,
Bad Touches

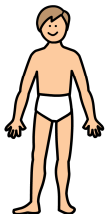

Sometimes people
touch me

It is okay to touch
my arm

It is okay to touch
my shoulder

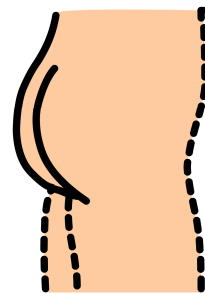

my private parts
are covered by my
underwear

When I swim, my private
parts are covered by my
swim trunks

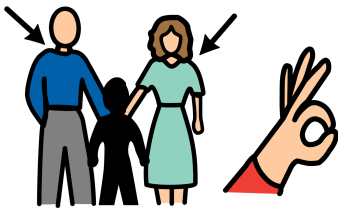

my penis is private!

my bottom is private!

Sometimes, my doctor
needs to see my private
parts. This is okay.

Sometimes my mom or
dad may touch my bottom
to clean me. This is okay.

NO ONE ELSE can see
or touch my private parts

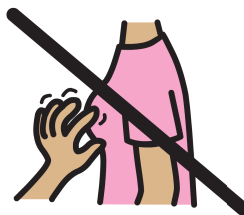

Other adults can't
see or touch my private
parts. Teachers can't!

Strangers can't touch
or see my private parts

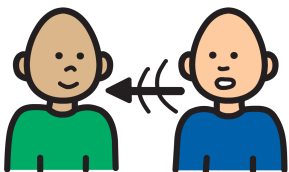

No one can take
pictures of my
private parts

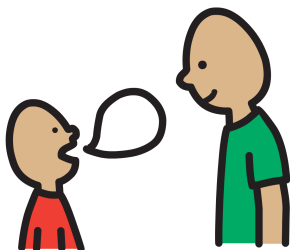

NO ONE is allowed
to tickle me!

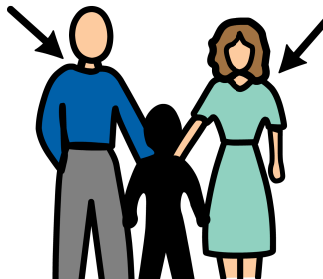

I will say "NO,
Don't touch me!"

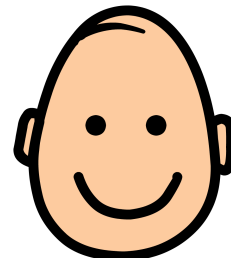

I will tell if someone
tries to touch or see
my private parts

I will tell an adult

I will tell my parents

They will keep me
safe so I am happy
